The detailed research programme is an integral part of this call.

Art.2
Awarding of the grant – Renewal

The selected candidate will be awarded a grant for the amount of € 26,999,00 per year, inclusive of the social security costs payable by the grant holder. The grant will be paid in deferred monthly instalments.

The grant is awarded for the duration of 12 months with effect from 01/12/2024 and may possibly be renewed to the same person for a maximum of six years overall, as regulated by art. 22 of Law 240/2010 and subsequent amendments, with the exception of the period
in which the grant was received in connection with the research doctorate, within the maximum limit of the legal duration of the PhD programme. For the purposes of calculating the maximum duration, the periods spent on maternity leave or sick leave are not counted according to the provisions of current legislation. In the event of renunciation or revocation, the places made available can be assigned to candidates placed in a useful position in the ranking for a period of not less than 12 months and compatibly with the available resources. The renewal, at the same conditions of the original contract, is decided by the Director of the Department upon request by the Scientific Supervisor. The renewal is subject to the positive evaluation of the activity carried out by the research manager, as well as to the actual budget availability.

Art.3
Requisites for admission to the selection
For participation in the selection, the following qualifications and curricular requirements are mandatory:

Requirements:
PhD or equivalent qualification obtained abroad in the scientific field similar to the subject of the tender.
Scientific-professional CV responding to the requisites.

The requirements must be met by the deadline of the Call for Applications.

All academic qualifications obtained abroad (degree, doctorate and any other qualifications) must, as a rule, be previously recognized in Italy according to current legislation on the matter. The equivalence of foreign qualifications, if not yet officially recognised, will be evaluated exclusively for the purposes of the admission of the candidate to this selection by the Admissions Board at the time of assessment of academic titles, based on the appropriate documentation (art.4 para.4). Candidates in possession of an academic qualification obtained abroad, which has not yet been declared equivalent by the Italian authorities, must send the official translation with the “dichiarazione di valore” of the foreign qualification by the competent Italian diplomatic or consular representations in the country of origin, according to the regulations in force on the subject, within thirty days from the decree approving the selection results and in any case within 30 days from the decree approving the selection results and in any case at the time of signing the contract. In case the documents are not received within this period the candidate will be not be eligible to sign the contract.

Art.4
Submission of the application and the academic titles
The application for participation in the selection, drawn up in accordance with the facsimile set out in Annex 1, must be sent to the Director of the Department of Statistica, Informatica, Applicazioni ‘G. Parenti’ Viale Morgagni, 59 exclusively via electronic means, according to the following methods:

a) by certified email (PEC) to the following address: disia@pec.unifi.it. The candidates in turn must have a certified PEC email as well.
b) by email to the following address: disia@disia.unifi.it

To fill in the application, it is necessary to use the "Online applications" section: https://stlabtest.dinfo.unifi.it/beta/akademia-candidature/
The generated application must be signed by the candidate and sent, according to one of the methods mentioned above, in PDF format together with a scan of a valid photo ID.
Please note: ALL documents must be in PDF format.

The subject line of the email must contain the following: “Application for the grant as announcement D.D. n DA INDICARE of DA INDICARE”

The deadline for submitting the selection application is 07/10/2024 at hour 01:00 pm) under penalty of exclusion for late submissions.

The interview will be held on 28/10/2024 at 03:00 pm at Dipartimento di Statistica, Informatica, Applicazioni “G. Parenti”, Viale Morgagni 59, 50134, Firenze.

The above information constitutes a formal and final convocation for the interview.

In order to be admitted to the interview all candidates must present a valid ID.

The interview will be held in person on the same date in the premises of the Department in Dipartimento di Statistica, Informatica, Applicazioni "G. Parenti", viale Morgagni 59, 50134, Firenze, Room 109.

In the application letter the candidate must indicate the exact denomination of the Call they wish to apply to, indicating the Area and the Research project as per art.1.

They must furthermore declare under their responsibility, as provided for in DPR n. 445/2000, the following:

- name and surname, tax identification number (codice fiscale), date and place of birth; citizenship;
- residence and the address of the domicile chosen for the purposes of the selection (specifying the area code and telephone number) as well as the email address for any communications relating to this notice;
- the degree required, the date, the university and the country where it was obtained;
- that they do not currently have any pending administrative or criminal proceedings and, in case of past criminal or civil convictions, list all charges in detail (the date of the judgment, the judicial authority and the type of judgment, the violated rules, the number of proceedings and the penalties reported);
- that they have been dismissed, released from previous employment with a public administration for persistent insufficient performance and that they have never been discharged from other state employment pursuant to art. 127 letter d) of the Consolidated Law 10 January 1957, n. 3, for having obtained the employment through the production of false documents or formally defective, or not to be prevented from public service following disciplinary dismissal;
- that they are not aware of being subjected to criminal proceedings, or to have ongoing
criminal proceedings. In the latter case, indicate the offenses for which the criminal
proceedings are underway, the Authority and the status of the proceedings;
- that they enjoy civil and political rights;
- that they are not part of the permanent staff of the universities and other bodies
indicated in art. 22, paragraph 1, Law n. 240/2010;
- if they are holders of research grants relating to previous periods carried out pursuant
to art. 22 of Law 240/2010;
- that they are aware of the bans on accumulation and incompatibilities provided for in
art.12 of this announcement;
- that they will promptly communicate any change of residence or address.

Art.5
Documents to be attached to the application
Candidates must attach to the application:
- scan of a valid ID;
- a scientific-professional CV in Italian or in English, using the European template (Annex
5). The CV must be signed and completed with all relevant documents and attachments;
- the scientific publications and articles in pdf format;
- a self-certification relating to the academic qualifications held, both those required for
participation in the selection and any further qualifications deemed useful for the
assessment, with an indication of the institution that issued them and the date it was
awarded (Annex 2);
- for the qualification obtained abroad, if already declared equivalent, attach the relevant
documentation; otherwise, attach a copy of the foreign qualification with a translation in
Italian or English;
- signed and dated list of all attached titles, awards and certificates and any other
document mentioned with all necessary information to retrieve them (Annex 3);

In order to allow the subsequent insertion of the data relating to the researcher contract in
the MIUR database, the CINECA form (Annex 4) must be completed in full and signed
by the candidate, the content of which must coincide with what is indicated in the
application.

The data of the successful candidate will also merge into their individual profile inside the
MIUR website https://loginmiur.cineca.it, to which the grant holder will have access, once
registered.

The Administration cannot be held responsible of the consequences deriving from incorrect
indications by the candidate or from any technical/IT issues in submitting the application.

Art.6
Exclusions
Candidates are excluded from participation in the selection when any of these situations
occur:
- the application has been submitted after the deadline set out in art.4;
- the application has been submitted after the deadline set out in art. 4they have not
attached the required self-declarations regarding the possession of the admission
requirements, or that they have produced false or non-compliant declarations,
certifications and/or documentation;

The following candidates are NOT ALLOWED under any circumstances to take part to
the selection procedure those who have a relationship of kinship and affinity, up to and
including the fourth degree, with academic staff belonging to the Department where they are

-
asked to carry out the Research Project, or with the President, the General Manager or a member of the University's Board of Directors, as required by art. 18, paragraph 1 letter c) of Law n. 240, and in accordance with art. 4, paragraph 2, letter c) of the current Code of Ethics of the University of Florence, or with any of the members of the Selection Board. The Administration may enforce these exclusion measures at any time in all cases of lack of the required prerequisites. The Administration will carry out checks on the truthfulness of the content of the substitute declarations.

Art. 7
Composition of the Admissions Board
The Admissions Board, nominated following the deadline of the call with a decree from the Director of the Department of Statistica, Informatica, Applicazioni ‘G. Parenti’, published on the Official Register of the University, it will be composed of three members chosen from tenured professors and researchers belonging to the same scientific area in which the research will be carried out. The Board can be supplemented by a representative of the funding body, if applicable. In any case, the research manager whom the grant holder will collaborate with, will be a member of the Admissions Board.

Art. 8
Evaluation of qualifications and interview
The Admissions Board will evaluate, for the sole purpose of candidates’ admission to the selection, the equivalence of qualifications obtained abroad that have not yet been recognized in Italy according to the legislation in force on the matter.

The Admissions Board will then carry out a comparative evaluation of the candidates by formulating an analytically motivated judgment and identifying the name of the successful candidate. With the same score, the youngest candidate in the ranking precedes.

As part of the selection procedures for the reasons indicated in the introduction, in the event of equal merit between those suitable for each individual procedure, the person of the least represented gender among those who submitted the application will be called.

For the evaluation of the candidates, the Admissions Board will have 100 points, 60 of which to be attributed overall to the candidate’s qualifications and scientific professional curriculum and the remaining 40 points to be reserved for the interview.

The evaluation of qualifications will be carried out before the interview. The Admissions Board will proceed first thing with the assignment of the overall scores to the evaluable items, the qualifications and the curriculum, as indicated below:
- educational qualifications, additional to the requirements for admission: up to a maximum of 10 points
- professional scientific curriculum: up to a maximum of 50 points

The Admissions Board establishes the following minimum score that candidates must achieve in the evaluation of qualifications in order to be admitted to the interview: 20 points
The Admissions Board establishes the following minimum score that candidates must achieve in the interview in order to be considered suitable: 20 points

The Admissions Board will not proceed with the evaluation of the qualifications, unless all the elements and data necessary for such evaluation are indicated.

As part of the interview, the Admissions Board will proceed to ascertain, among other aspects, the knowledge of the field subject of the call, the clarity of presentation and the suitability of the candidate to carry out the research called for.

The Admissions Board results will send a report with the final evaluation to the Director of the Department for approval. The results of the evaluation will be published on the University's Official Register and on the Department’s own website www.disia.unifi.it. The results of the selection will be communicated personally to the selected candidate(s) by the Department. Any complaint against the approval decree must be filed to the Director of the Department within ten days from the date of publication, in accordance with art. 12 the current Regulations for the assignment of research grants.

Art. 9
Insurance
Research fellows are insured by the University for Civil Liability against Third Parties and for Accidents starting from the beginning of the research activity without charges against them (information on the University website on the http page: http://www.unifi.it/vp-3514-schema-tipo-di-contratto-per-collaborazione-ad-attivita-di-ricerca.html#assicurazioni).

Art. 10
Contract and required documents
The Department will contact the successful candidate in order to sign a contract regulating collaboration in the research activity, after checking the actual availability of the funds. To such contract must be attached a copy of the insurance policy as per previous article. The successful candidates must, at the time of signing the contract submit copies of the following documents:
- a valid photo ID;
- tax identification number (codice fiscale);
- resident permit where it is indicated a reason consistent with the research grant (only for non-EU citizens).

Citizens of countries outside of the European Union must be in possession of one of the residence permits provided for by the current immigration legislation in order to sign the contract for research fellowship with the University of Florence. Therefore, it will not be possible to proceed with the stipulation of the contract if the winner is not in possession of a suitable residence permit. If this condition occurs, the aforementioned candidate will be declared lapsed and the contract will be offered to the next suitable candidate in the ranking.

The ascertainment of this condition will be made at the time of signing the contract. Furthermore, even if the loss of possession of the residence permit occurs after the contract has been signed, such condition will constitute cause for its termination.
In case the candidate holds a foreign title as one of the prerequisites, and then fails to obtain by the competent Italian diplomatic or consular representations in the country of origin, and then submit within 30 days, the required legalisation and declaration of value of such academic title, he or she will be ineligible to sign the contract.

**Art.11 Intellectual property**

The management of industrial and intellectual property rights deriving from research carried out by university staff is governed by art. 65 of the Industrial Property Code (Legislative Decree n. 30 of 2005 and subsequent amendments) and by the “Regulation for the management of industrial and intellectual property rights with reference to the research activities carried out by university staff” issued with D.R. n.82735 (526) of 08/05/2019, which provides that, in the case of bound research, i.e. funded in whole or in part by private entities, or carried out in the context of specific research projects funded by public entities other than University, the industrial property rights that may result belong to the University, which remains the owner of any rights deriving from inventions obtained with the contribution of its researchers, pursuant to art.3 of the aforementioned Regulations.

Pursuant to art.1 para. 3 of the Regulations, the grant holder, with the stipulation of the contract, declares to accept the application of the rules indicated therein.

**Art.12 Prohibition of cumulation – incompatibility**

The grant cannot be combined with scholarships of any kind, except with those awarded by national or foreign institutions for the purpose of integrating training and research activities with stays abroad.

Research grants cannot be awarded to permanent staff of universities, institutions and public research and experimentation bodies, the National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA) and Italian Space Agency (ASI), as well as of institutions whose scientific specialization diploma has been recognized as equivalent to the title of research doctor pursuant to art.74, fourth paragraph, of the decree of the President of the Republic 11 July 1980, n.382.

Employees serving in public administrations or private entities other than those specified in the paragraph above, with full-time, part-time or fixed term contract, are entitled to hold a research grant on the condition that they be placed on leave without pay for the duration of the research project or that their private employment contract is put on hold.

The awarding of the grant is not compatible with participation in degree programmes of any level including specialist or professional master courses, PhD with scholarship or medical specialization, in Italy or abroad.

The holder of the grant cannot be in a relationship of kinship and affinity up to the fourth degree included with any academic belonging to the Department where the research is carried out, or with the President, the General Manager or a member of the University’s Board of Directors, as required by art.18, paragraph 1, letter c) of Law n.240/2010, and in accordance with art.4, paragraph 2, letter c) of the current Code of Ethics of the University of Florence as well as with any member of the Admissions Board as per art.6 of this Call.

The research grant holder can carry out self-employed work only after authorization by the Department Council, having heard the motivated opinion of the scientific director of the grant, after verifying that this activity is:

a. compatible with the research activity set out in the grant;
b. not prejudicial to the conduct of research activities;
c. not in conflict of interest with the specific research activity carried out;
also taking into account the reporting rules set forth by the funding body.
Art.13
Suspension of the contract
The research activity must be suspended for maternity leave. In this case, the provisions of the decree of the Minister of Labour and Social Security 12 July 2007, published in the Official Journal n.247 of 23 October 2007 will apply. The period of compulsory suspension for maternity will be recovered at the end of the natural expiry of the contract in accordance with the provisions of current legislation. The research activity can be suspended for grave illness or for serious family reasons and also in this case, the suspension periods can be recovered at the end of the natural expiry of the contract, subject to agreement with the academic in charge and in compliance with the limits imposed by the funds available. During the period of compulsory maternity leave, the allowance paid by INPS, or by another social security fund, is integrated up to the full amount of the grant with monies paid by the University. In case of maternity or any other type of leave, reference is made to art.22 paragraph 6 of Law n.240/2010. Concerning sick leave, the law that applies is n.296, art.1, paragraph 788 and subsequent amendments and integrations. The suspension measure is ruled by a decree from the Director of the Department where the research is conducted.

Art.14
Termination of the contract
If the researcher does not continue the activity foreseen by the research program without a justified reason or is responsible for serious or repeated shortcomings, at the motivated request of the Research Manager and with the resolution of the Council of the Department, the termination of the contract can be ordered, pursuant to art.1453 et seq. of the civil code. The termination measure is ruled by a decree from the Director of the Department where the research is conducted.

Art.15
Withdrawal by the research grant holder
The grant holder has the right to withdraw from the research programme, giving a notice of at least 15 (fifteen) days addressed to the Director of the Department and to the research project manager. Failure to do so implies the withholding of the amount corresponding to the period of mandatory advance notice.

Art.16
Attending PhD courses
The research grant holder can attend, as an extra and without the right to any scholarship, PhD courses, provided that he/she passes the required admission tests and, if applicable, pays any fee connected to the courses.

Art.17
Tax and social security provisions
The provisions of Art.4 of the Law n.476 of 13 August 1984 and subsequent amendments and additions, apply to research grants regarding tax matters. As far as social security is concerned, the applicable law is n.335 of 8 August 1995, art.2, paragraphs 26 and following and subsequent amendments.

Art.18
Personal data processing
Candidates are invited to read the “Information for the processing of personal data of interested parties to participate in personnel recruitment procedures or selection procedures for admission to courses with a limited number or for the awarding of research grants, scholarships, collaborative and/or teaching assignments” available at: https://www.unifi.it/upload/sub/protezionedati/Informativa_SELEZIONI.pdf

The application forms and documents produced by the candidates constitute “administrative documents” with respect to which, except in exceptional cases, the need for confidentiality must be excluded. These documents, once acquired by the selection procedure, are no longer considered to be within the personal sphere of the participants who, therefore, do not take on the role of counter parties, in any claim to access the documents of the procedure by another party. In any case, the provisions of the GDPR (EU Regulation 2016/679 of the European Parliament and of the Council of 27 April 2016 published on the OJEU of 04 May 2016), relating to the protection of individuals with regard to the processing of Personal Data and the movement of such data, will be abided to.

Art.19
Procedure manager
The manager for this selection procedure is Ms Claudia Conti, address Viale Morgagni, 59 - 50134 - Firenze, ph. 055-2751500, e-mail: disia@disia.unifi.it, Certified e-mail (pec): disia@pec.unifi.it

Art. 20
Final provisions and publication
For all matters not provided for in this announcement, reference is made to the current legislation in force.
The notice will be posted in the University's Official online Register, on: https://www.unifi.it/vp-391-assegni-di-ricerca.html, on the website of the Ministry of Education and Research (MIUR) and on the European Union’s Euraxess website.

RESEARCH GRANT

Title: The dyad parent-children: Caregiving and Wellbeing in a gender perspective

Titolo: Diade genitori-figli: cura e benessere in una prospettiva di genere

DESCRIPTION OF THE RESEARCH ACTIVITY

Description: The recent demographic dynamics that have affected all high-income countries, including Italy, over the past few decades have led to a proliferation of family types. Alongside the traditional family, composed of cohabiting father and mother, there are increasingly families composed of a single parent or a couple of parents who share custody of their children. This has inevitably resulted in a paradigm shift in the time parents spend with their children and in the relationship between care and well-being, impacting the quality and quantity of relationships as well as the well-being of the parents. The project aims to investigate the relationship between the time dedicated to children and parental well-being through a gender perspective, comparing this association across different European countries. Additionally, the research will focus on the differences among various family types, comparing the time-well-being relationship between cohabiting and non-cohabiting parents. Moreover, the time spent on various caregiving activities by non-cohabiting parents and fathers, who are often ignored or at least relegated to a secondary role in the literature, will be thoroughly investigated. To achieve our goals, we will use the most relevant secondary data sources on families at the European level for our research purpose. The grant is part of the KinHealth project funded by the Ministry of University and Research (national research project - PRIN PNRR 2022).

Descrizione: Le recenti dinamiche demografiche che hanno riguardato negli ultimi decenni tutti i paesi a alto reddito, fra i quali l'Italia, hanno prodotto una proliferazione delle tipologie familiari. Accanto alla famiglia tradizionale, composta da padre e madre conviventi, sempre più spesso vi sono famiglie composte da un solo genitore o da una coppia di genitori che condividono l'affidamento dei figli. Ciò ha comportato, inevitabilmente, un cambio di paradigma del tempo speso con i propri figli dai genitori e della relazione fra cura e benessere, che ha ripercussioni sulla qualità e quantità di rapporti, sia sul benessere dei genitori. Il progetto mira a indagare la relazione tra tempo dedicato ai figli e benessere del genitore attraverso una prospettiva di genere, comparando tale associazione fra diversi paesi europei. Inoltre, il lavoro di ricerca si concentrerà sulle differenze fra varie tipologie familiari, confrontando la relazione tempo-benessere del genitore fra genitori conviventi e genitori non conviventi. Inoltre, verrà indagato approfonditamente il tempo speso per le varie azioni di cura dai genitori non conviventi e dai padri, spesso ignorati o quantomeno relegati ad un ruolo secondario in letteratura. Per affrontare i nostri scopi, utilizzeremo le fonti di dati secondari sulle famiglie più pertinenti al nostro scopo di ricerca a livello europeo. L’assegno di ricerca è finanziato dal progetto KinHealth (progetto di ricerca di interesse nazionale - PRIN PNRR 2022), i cui fondi derivano dal Ministero dell'Università e della Ricerca.
